

**Summary of proposed amendments of Title 19, chapter 4
City and County of Honolulu Administrative Rules**

Attendant/Custodian Fees Draft

Attendant/Custodian Fee for additional maintenance of comfort station and ground.	DPR Rules and Regulation, Shore water events §19-4-7 Permit conditions.
<p><i>Explanation: Shore water events draw large crowds at our beach parks. Is extra maintenance needed to clean comfort stations and to maintain the grounds to address health and safety issues. A proposal for a DPR position titled Attendant/Custodian would work at the park during the event to handle the extra trash and other impacts caused by large crowds.</i></p> <p>Option</p> <ul style="list-style-type: none"> • Permittee shall be required to pay a base service fee for attendant/custodian services to the city based on the estimated number of participants and spectators of the shore water event. The attendant will be on site for the day of the event for additional maintenance of the comfort station and grounds. Permittee shall be required to pay a fee for a minimum of two attendant/custodian that services up to 500 spectators. Permittee shall pay a fee for a total of three attendant/custodian services for every additional 1,000 spectators. • All events below 500 spectators and participants will be responsible for all cleaning including comfort stations and maintenance of grounds. 	<p>(c) Permittee shall pay to the department prior to issuance of a permit for an amateur shore water event a \$500 deposit for clean-up and restoration of damages and a deposit of \$2,500 for professional shore water event and pro-am shore water event. An additional \$500 deposit shall be required of any permittee who obtains approval from the department to drive or park vehicles on the grass at the park site. Any damage to utilities, including sprinklers, water and electrical lines, facilities and grounds shall be repaired by a licensed contractor, retained by the permittee, immediately and to the satisfaction of the department. Should clean-up and repair be deemed unsatisfactory by the department, the department shall clean-up and repair any damage to the park caused by the event or the permittee and use the deposit as full or partial payment for the clean-up and repair costs incurred by the department. If clean-up or restoration of damages is not satisfactory as determined by the director, or if clean-up and repair costs exceed the amount of the deposit, permittee shall be responsible for any costs incurred by the department exceeding the deposit.</p> <p>(f) Permittee shall provide special duty police officers as determined necessary by the department for traffic, parking, security and crowd control in consultation with the Honolulu police department.</p>
